INDEPENDENT AUDITORS' REPORT

To the County Commission and Officeholders of Knox County, Missouri

Report on the Financial Statements

We have audited the accompanying special purpose regulatory cash basis financial statements of Knox County, Missouri, which collectively comprise the statement of receipts, disbursements, and changes in cash-all governmental funds as of December 31, 2015 and 2014, and the related statements of receipts, disbursements, and changes in cash-budget and actual for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting practices prescribed or permitted by Missouri Law. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

KNOX COUNTY, MISSOURI INDEPENDENT AUDITORS' REPORT

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the special purpose financial statements are prepared by Knox County, Missouri, using accounting practices prescribed or permitted by Missouri Law, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Knox County, Missouri, as of December 31, 2015 and 2014, and the changes in its financial position.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the cash balances of each fund of Knox County, Missouri, as of December 31, 2015 and 2014, and their respective cash receipts and disbursements, and budgetary results for the years then ended, on the basis of the financial reporting provisions of Missouri Law as described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 12, 2016, on our consideration of Knox County, Missouri's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Knox County, Missouri's internal control over financial reporting and compliance.

This report is intended solely for the information and use of management, County Commission, others within the entity, and the State of Missouri and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

KNOX COUNTY, MISSOURI NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Knox County, Missouri is governed by a County Commission with three members. In addition to the three commission members, there are ten elected Officers: Assessor, Circuit Clerk, County Clerk, Collector, Treasurer, Coroner, Prosecuting Attorney, Public Administrator, Recorder, and Sheriff.

As discussed further in Note 1.C., these financial statements are presented using accounting practices prescribed or permitted by Missouri Law, which practices differ from accounting principles generally accepted in the United States of America, which would include all relevant Government Accounting Standards Board (GASB) pronouncements. The differences include use of a prescribed definition of the reporting entity and the cash basis of accounting.

A. REPORTING ENTITY

The County's operations include tax assessments and collections, election services, county courts administration, county recording of instruments, public safety, economic development, road and bridge maintenance, and social and human services. The funds presented are established under statutory or administrative authority, and their operations are under the control of the County Commission or elected county officials.

The financial statements referred to above include the primary government of Knox County, Missouri, which consists of all funds, organizations, institutions, agencies, departments, and offices that are considered to comprise the County's legal entity.

B. BASIS OF PRESENTATION

Governmental Funds - Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. A fund is considered a separate accounting entity with self-balancing accounts that comprise its assets, liabilities, net assets, revenues/receipts, and expenditures/disbursements. The County's funds are governmental funds. Governmental funds are those through which most governmental functions are financed. The County's expendable financial resources are accounted for through governmental funds.

Fiduciary (Agency) Funds - Certain county officials, particularly the County Collector, Treasurer, Sheriff, and Public Administrator, collect and hold monies in a trustee capacity as an agent for individuals, taxing units, or other governments. These assets, which are held for the benefit of external parties, are held in fiduciary (agency) funds, which are considered custodial in nature and are not reported on the accompanying financial statements.

C. BASIS OF ACCOUNTING

The financial statements are prepared on the cash basis of accounting; accordingly, amounts are recognized when received or disbursed in cash. This basis of accounting differs from accounting principles generally accepted in the United States of America. Those principles require revenues to be recognized when they become available and measurable or when they are earned, and expenditures or expenses to be recognized when the related liabilities are incurred.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (CONTINUED)

D. BUDGETS AND BUDGETARY ACCOUNTING

The County follows these procedures in establishing the budget information:

- 1. In accordance with Chapter 50 RSMo, the County's policy is to adopt a budget for each governmental fund.
- 2. During January, each elected officer or department director will transmit to the County Commission and County Clerk, who serves as budget officer, the budget request and revenue estimates for their office or department for the budget year.
- 3. The County Clerk submits to the County Commission a proposed budget for the fiscal year beginning January 1. The proposed budget includes estimated revenues and proposed expenditures, on the modified cash basis of accounting, for all budgeted funds. Budgeted expenditures cannot exceed beginning available monies plus estimated revenues for the year. Budgeting of appropriations is based upon an estimated fund balance at the beginning of the year as well as estimated revenues to be received.
- 4. A public hearing is conducted to obtain public comment on the budget documents. Prior to approval by the County Commission, the budget document is available for public inspection.
- 5. Prior to February 1, the budget is legally enacted by a vote of the County Commission.
- 6. Budgets are prepared and adopted on the cash basis of accounting.
- 7. Subsequent to its formal approval of the budget, the County Commission has the authority to make necessary adjustments to the budget by formal vote. Budgeted amounts are as originally adopted, or as amended by the County Commission during the year. The County did not amend the 2015 budget. The County Commission amended the 2014 budget for the following funds:

Fund
General Revenue
Special Road & Bridge
Law Enforcement
Sheriff's Fee
Restitution
Shop Tools

8. Section 50.740 RSMo prohibits expenditures in excess of the approved budgets. Actual expenditures exceeded budgeted amounts for the following funds for 2015 and 2014.

Fund	Years Ended December 31,
Law Enforcement Training	2015 and 2014

The County bills and collects its own property taxes and also taxes for most other local governments in the County.

G. CASH DEPOSITS

Cash deposits in money market accounts are stated at cost, which approximates market. Cash balances for the County Treasurer's funds are invested to the extent possible. Interest earned is allocated to each of the funds based on the funds' average daily cash balance. Cash equivalents may include repurchase agreements and any other instruments with an original maturity of ninety days or less; however, nonnegotiable certificates of deposit with original maturity of greater than ninety days are considered as cash equivalents. State law authorizes the deposit of funds in banks and trust companies or the investment of funds in bonds or treasury certificates of the United States, other interest bearing obligations guaranteed as to both principal and interest by the United States, bonds of the State of Missouri or other government bonds, or time certificates of deposit, purchased at a price at or below par.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (CONTINUED)

Funds in the form of cash on deposit or time certificates of deposit are required to be insured by the Federal Deposit Insurance Corporation (FDIC) or collateralized by authorized investments held in the County's name at third-party banking institutions. Details of these cash balances are presented in Note 2.

H. INTERFUND ACTIVITY

During the course of operations, interfund activity occurs for purposes of providing supplemental funding, reimbursements for goods provided or services rendered, or short and long-term financing. Interfund activities are reported as "transfers in" by the recipient fund and as "transfers out" by the disbursing fund.

Transfers between funds of the primary government for the years ended December 31, 2015 and 2014 were as follows:

I. PUBLISHED FINANCIAL STATEMENTS

Under Section 50.800 and 50.810 RSMo, the County Commission is responsible for preparing and publishing in a local newspaper a detailed annual financial statement for the county. The financial statement is required to show receipts or revenues, disbursements or expenditures, and beginning and ending balances for each fund. For the years ended December 31, 2015 and 2014, the published financial statements included all funds and the required information.

KNOX COUNTY, MISSOURI NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

NOTE 2. CASH

The County has determined through experience that checking accounts and money market accounts are appropriate types of accounts or instruments for its needs. Each fund type's portion of the County's cash is included on the financial statements as "Cash" under each fund's caption. Section 110.270 RSMo, based on Article IV, Section 15, Missouri Constitution, authorizes counties to place their funds, either outright or by repurchase agreement, in U.S. Treasury and agency obligations. At December 31, 2015 and 2014, the County had no such investments.

Disclosures are provided below regarding the risk of potential loss of cash deposits. For the purpose of the disclosures, deposits with financial institutions are demand and time accounts in the County's bank.

Insured and Collateralized Deposits

In accordance with state law, all uninsured deposits in financial institutions must be secured with acceptable collateral. Acceptable collateral includes certain U.S. Government or Government Agency securities, certain state or political subdivision debt obligations, surety bonds, or certain letters of credit. Missouri statutes also require that all deposits with financial institutions be collateralized in an amount at least equal to uninsured deposits.

At December 31, 2015 and 2014, the total of all County's deposits held at the respective depositary bank were adequately covered by Federal Depository Insurance Coverage and with a \$1,000,000 Federal Home Loan Bank Letter of Credit and additional collateral securities held by an independent bank in the County's name or by its agent in the County's name.

In addition, Section 30.950 RSMo requires political subdivisions with authority to invest in instruments other than depositary accounts at financial institutions to adopt a written investment policy. Among other things, the policy is to commit a political subdivision to the principles of safety, liquidity, and yield (in that order) when managing public funds and to prohibit purchase of derivatives (either directly or through repurchase agreements), use of leveraging (through either reverse repurchase agreements or other methods), and use of public funds for speculation. The County has not adopted a written investment policy in accordance with applicable state law.

NOTE 3. COUNTY EMPLOYEES' RETIREMENT PLANS

A. Deferred Compensation Plan

County employees can voluntarily elect to participate in a deferred compensation 457 plan as part of their retirement plan. The County does not contribute to this plan on behalf of any employee. For the years ended December 31, 2015 and 2014, participating employee contributions were \$7,851 and \$7,782, respectively.

B. County Employees' Retirement Fund

The County Employees' Retirement Fund (CERF) was established pursuant to SB 579, effective August 28, 1994, by the state of Missouri to provide a retirement benefit to eligible county employees.

KNOX COUNTY, MISSOURI NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

NOTE 3. COUNTY EMPLOYEES' RETIREMENT PLANS (CONTINUED)

1) Plan Description

The Retirement Fund is a cost-sharing multiple employer defined benefit pension plan covering any county elective or appointed officer or employee whose performance requires the actual performance of duties of not less than one thousand (1,000) hours per calendar year in each county of the state, except for any city not within a county and any county of the first classification having a charter form of government. It does not include county prosecuting attorneys covered under sections 56.800 to 56.840, RSMo; circuit clerks and deputy circuit clerks covered under the Missouri State Retirement System; county sheriffs covered under sections 57.949 to 57.997, RSMo and certain personnel not defined as an employee per Section 50.1000(8), RSMo. The general administration and the responsibility for the proper operation of the Fund and the investment of the Fund are vested in a board of directors of eleven persons.

2) Pension Benefits

CERF first paid benefits beginning January 1, 1997. At that time a member could not retire until age 62. Beginning January 1, 2000, employees could retire with full benefits at age 62 or reduced benefits at age 55. The monthly benefit for county employees is determined by selecting the highest benefit calculated using three different prescribed formulas (flat-dollar formula, targeted replacement ratio formula, and prior plan's formula). An eligible death benefit of \$10,000 will be paid to the designated beneficiary of every active member upon his or her death.

Upon termination of employment, any member who is vested is entitled to a deferred annuity, payable at age sixty-two or a reduced benefit annuity at age fifty-five. Any member with less than eight years of creditable service forfeits all rights in the Fund but will be paid his or her accumulated contributions.

The County Employees' Retirement Fund issues audited financial statements. Copies of these statements may be obtained from the Board of Directors of CERF by writing to CERF, 2121 Schotthill Woods Drive, Jefferson City, MO 65101, or by calling toll-free 1-877-632-2373.

3) Funding Policy

In accordance with state statutes, the Retirement Fund is partially funded through various fees collected and remitted to CERF. Depending on the hire date and LAGERS status, contribution rates can be 0%, 2%, 4%, or 6%. A county can choose to pay up to 4% for its employees. A contribution to CERF of 2% of annual salary is required for eligible employees hired before February 25, 2002, and a contribution of 6% of annual salary is required of employees hired after February 25, 2002, effective January 1, 2003, in order to participate in CERF. During 2015 and 2014, the County collected and remitted to CERF \$80,216 and \$78,324, respectively, for the years then ended. The County is not a member in LAGERS.

NOTE 4. PROSECUTING ATTORNEY RETIREMENT

In accordance with state statute chapter 56.807 RSMo, the County contributes monthly to the Missouri Office of Prosecution Services for deposit to the credit of the Missouri Prosecuting Attorneys and Circuit Attorney's Retirement System Fund. Once remitted, the State of Missouri is responsible for administration of this plan. The County contributed \$2,244 for the years ended December 31, 2015 and 2014, on behalf of the Prosecuting Attorney.

NOTE 5. POST- EMPLOYMENT BENEFITS

The County does not provide post-employment benefits except as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA). The requirements established by COBRA are fully funded by employees who elect coverage under the Act, and no direct costs are incurred by the County.

NOTE 6. COMMITMENTS AND CONTINGENCIES

1) Compensated Absences

Vacation time is accrued for every eligible employee in the County and accrues at the rate of up to two weeks per year. The County provides full-time employees and part-time employees who occupy regular budgeted positions with sick time, which accrues at two days per calendar month of employment up to ninety days. Upon termination, no payment will be made for unused vacation or sick days.

2) Federal and State Assisted Programs

The County has received proceeds from several federal and state grants. Periodic audits of these grants, when performed, could result in the disallowance of certain costs. Accordingly such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds, if determined necessary, will be immaterial and, therefore, no provision has been made in the accompanying financial statements for the potential refund of grant monies.

3) The County had the following debt outstanding at December 31, 2015:

- A. The County entered into a three-year lease-purchase of a 2013 Caterpillar motor grader in January 2013. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

The County is a member of the Missouri Association of Counties Self-Insurance Workers' Compensation and Insurance Fund. The County purchases workers' compensation insurance through this fund, a non-profit corporation established to provide insurance coverage to Missouri counties. The fund is self-insured up to \$2,000,000 per occurrence and reinsured up to the statutory limit through excess insurance.

NOTE 8. SUBSEQUENT EVENT

In April 2016, voters in Knox County, Missouri, approved an additional countywide sales tax rate of 1/2% to fund capital improvements for the courthouse. REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the County Commission and Officeholders of Knox County, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the regulatory basis financial statements of the county funds of Knox County, Missouri, as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise Knox County, Missouri's basic financial statements, and have issued our report thereon dated August 12, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Knox County, Missouri's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Knox County, Missouri's internal control. Accordingly, we do not express an opinion on the effectiveness of Knox County, Missouri's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Knox County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

KNOX COUNTY, MISSOURI
REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS (CONTINUED)

However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

However, we noted one immaterial instance of noncompliance we have reported to Knox County, Missouri in the accompanying Schedule of Findings and Response as item 1.

Knox County, Missouri's Response to Finding

Knox County's response to the finding identified in our audit is described in the accompanying schedule of findings and response. We did not audit Knox County's response and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, County Commission, others within the entity, and the State of Missouri and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

KNOX COUNTY, MISSOURI SCHEDULE OF FINDINGS AND RESPONSE FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

1. Budgetary Controls Not in Compliance With State Law

Condition: We noted the following issue with the County's budgeting process during our audit:

The County Commission and other county officials did not exercise adequate budgetary control over two funds during the audit period. Expenditures were approved for payment that exceeded the approved budget for the following funds as shown below:

Fund	Year	Amount
Law Enforcement Training	2015	\$ 335
Law Enforcement Training	2014	\$ 423
Prosecuting Attorney Crime	2015	\$ 1,263
Prosecuting Attorney Crime	2014	\$ 2,060

Criteria: Section 50.540 RSMo requires that the budget be revised prior to authorizing expenditures in excess of the budget.

Cause: County officials did not prepare amended budgets for the two funds.

Effect: The County Commission and the County Clerk did not follow state law and budgetary guidelines on the preparation of budget documents.

Recommendation:

A. The County Commission and County Clerk should ensure amended budgets are prepared and formally approved and filed with the state as required by state law.

B. The County Commission should not approve expenditures in excess of budgeted amounts. The County Commission should properly amend the budgets in a public meeting when unforeseen circumstances arise that necessitate increased expenditures in any fund.

Response: In the future, we will make a more assertive effort to monitor the balances in all the budget funds. We will be more proactive in amending the budget when necessary.

KNOX COUNTY, MISSOURI FOLLOW UP ON PRIOR AUDIT FINDINGS FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

The County did not have an audit for the prior two years of 2012 and 2013 and, therefore, there are no prior audit findings to follow up on. The last audit of the County was for the two years ended December 31, 2011.
